

Permission form for Kid Life Ministries (Christian Life Fellowship) to post photos/videos containing children on their website/Facebook page

There are many events at Christian Life Fellowship which include children and we would like to post photos/videos that include children on our website. Normally, only photos of groups that include children, not a photo of an individual child, will be posted and there will be no identifying names. To post such photos, CLF needs prior permission from a parent or guardian. The Federal law applies to children younger than 13, but the CLF policy requires permission for children under age 18.

___ **Yes**, I do give permission for photos/videos that include my child(ren) to be posted on the CLF website and/or Kid Life Ministries Facebook page.

___ **No**, I do not give permission for photos/videos that include my child(ren) to be posted on the website and/or Kid Life Ministries Facebook page.

I understand that, at any time, I can rescind my permission by sending a written request to the director of Kid Life Ministries at Christian Life Fellowship.
